Summer Newsletter 5

The final week of nursery is upon us and we cannot believe how quickly this half-term has flown! We have had lots of fun over the last couple of weeks; a visit from the Mobile Farm, a special visit from the Mayor of Preston and our fantastic Teddy Bear's picnic, has been enjoyed by all!

May we take this opportunity to wish all our children and families a lovely summer holiday and for those starting Primary School, we wish you the very best of luck!

Starting BIG School

Children are interested in all sorts of things and love to learn and explore. Starting school is a big moment for children; not to mention for you as their parents or carers!

The website provides lots of hints and tips to help you support your child in becoming 'school ready' for starting school. Just scan the QR code to be directed to the website ...

A Mayoral visit...

We had a very special visit last week from the Mayor of Preston! Mr Mayor came to have a look round our wonderful nursery and meet the staff and children; he also had the added bonus of meeting some of the animals that were here from the Mobile Farm too! Mr Mayor had a lovely time and even shared with us that his children had come to Stoneygate Nursery when they were little- some of our staff even remembered him when he was here as a parent and a Governor too! Fantastic! Thank you Mr Mayor for sparing the time to visit us...
